

# Montessori Study Centre

## First AMI 3 to 6 International Diploma Course in Nigeria

The AMI Montessori Primary Teacher Training Course provides you with the skills and knowledge to support the learning and development of children three to six years old. The course involves intensive, hands-on training comprised of lectures, presentations, group discussions, observations, teaching practice, webinars and more. This is your opportunity to be part of the first cohort of students on this dynamic course in Nigeria. We look forward to hearing from you!
