

2nd AMI 3 to 6 International Diploma Course in Nigeria

The Montessori Study Centre is excited to bring Ms Cheryl Ferreira, an experienced 3 to 6 AMI Trainer with many years of experience, as the Director of Training of our second AMI Diploma Course in Nigeria.

The AMI Montessori Primary Teacher Training Course provides you with the skills and knowledge to support the learning and development of children three to six years old.

The course involves intensive, hands-on training comprised of lectures, presentations, group discussions, observations, teaching practice, webinars and more.

Registration is now open!

Cheryl Ferreira

Cheryl Ferreira holds a BA Hons and M.A. in History. She also holds AMI Assistants to Infancy (0 – 3) and Children’s House (3 – 6) Diplomas. She has worked with children for many years, becoming interested in Montessori whilst assisting in a Montessori school. Cheryl originally trained in Mumbai, India and came to the UK to complete her AMI Training of Trainers programme. Cheryl has been an AMI Trainer since 2000. She is a senior member of staff at the Maria Montessori Training Institute, in London, UK.

Furthermore, she was the Director of Training of the first AMI 3-6 Diploma Course in Auckland, New Zealand. Cheryl is an AMI Examiner and has travelled extensively in this role. She has also been appointed by the AMI Scientific Pedagogy Group as a Mentor Trainer, to work with new trainers on their graduation from the AMI Training of Trainers Programme. Cheryl is passionate about helping underprivileged children and families and has been involved in outreach work with the indigenous people of Australia.

We are indeed happy and privileged to have her direct our next AMI Diploma Course in Nigeria.
